THE LINDSAY EXHIBITION

The LAS, founded in 1854, is the governing body of the Lindsay Exhibition. The Lindsay Exhibition is a nine-day event, commencing each year on the second Saturday following Labour Day. The LEX is a not-for-profit, charitable organization run with the support of our vibrant community, donations, and volunteers.

Over 30 committees and 400 volunteers work together to stage the annual Exhibition and other events.

Average annual attendance: 45,000
Average agricultural competition entries: 7,000

As host of the East Central Ontario 4-H Championship Show, the Lindsay Exhibition is a qualifying event for 4-H members to compete at The Royal Agricultural Winter Fair in November. Grand Champion beef animals at the LEX qualify to enter the Canadian Western Agribition in Regina, SK – Canada's largest livestock show. Supreme Champion beef animals qualify for direct entry to the Beef Supreme Class at The Royal Agricultural Winter Fair.

The LEX is a member of the Ontario Four Horse Classic Series with competitors earning points towards the season championship.

Sponsorship opportunities for the LEX are completely customizable and can vary depending on your wants, needs, and budget! Support us for a day, support us for the whole week, sponsor a competition, or put your name on a building. Talk to us about creating a completely unique package to suit your marketing needs.
